

## PROOF BOOKS

Proof Books come with a clear, frosted, plastic cover and a custom designed title page. All images are watermarked and approximately wallet size. Each book is spiral bound with a hard cardboard backing for great portability and a clean look that is fun to take with you or even leave on the coffee table!

**All images** of a single horse/rider combination are included in a single Proof Book. The combining of multiple horses with one rider or multiple people in the same family into one proof book may be considered but only upon pre-approval with photographer/staff person **at the event**.

Below is the Proof Book pricing scale. Pricing is based upon how many images were taken of a horse/ rider combination, to be determined when proofs are online.
